Sir,

I have the honor to state that a case of delivery and possession of counterfeit coin under Section 240 I.P.C. has been reported from the Hassan District. The facts of the case are as follows:-

On the 19th. April 1904, a stranger who looked like a mendicant came to the house of one Muddamma alias Thayamma, a woman in Hassan Town, and asked her for alms.

On receiving some rice from her, he offered to give her copper coins amounting to one Rupee and three annas, in exchange for a full Rupee.

Thereupon, she brought out her betel-nut bag and gave him a full Rupee, taking the copper coins -- instead.

The mendicant returned to her the Rupee --- five times under some pretext or other and received

another Rupee instead each time.

Sometime after the departure of the mendicant, she grew suspicious and tested the Rupees with the result that they were found to be made of lead.
